9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

10
11 **Section 1.** Section 17-6-308, MCA, is amended to read:

12 **"17-6-308. Authorized investments.** (1) Except as provided in subsections (2) through (8) of this
13 section and subject to the provisions of 17-6-201, the Montana permanent coal tax trust fund must be invested
14 as authorized by rules adopted by the board.

15 (2) The board may make loans from the permanent coal tax trust fund to the capital reserve account
16 created pursuant to 17-5-1515 to establish balances or restore deficiencies in the account. The board may
17 agree in connection with the issuance of bonds or notes secured by the account or fund to make the loans.
18 Loans must be on terms and conditions determined by the board and must be repaid from revenue realized
19 from the exercise of the board's powers under 17-5-1501 through 17-5-1518 and 17-5-1521 through 17-5-1529,

22 by the former Montana board of science and technology development. The board shall establish an appropriate
23 repayment schedule for all outstanding research and development loans made to the university system. The
24 board is the successor in interest to all agreements, contracts, loans, notes, or other instruments entered into
25 by the Montana board of science and technology development as part of the seed capital and research and
26 development loan portfolios, except agreements, contracts, loans, notes, or other instruments funded with coal
27 tax permanent trust funds. The board shall administer the agreements, contracts, loans, notes, or other
28 instruments funded with coal tax permanent trust funds. As loans made by the former Montana board of

1 science and technology development are repaid, the board shall deposit the proceeds or loans made from the
2 coal severance tax trust fund in the coal severance tax permanent fund until all investments are paid back with
3 7% interest.

4 (4) The board shall allow the Montana facility finance authority to administer \$15 million of the
5 permanent coal tax trust fund for capital projects. Until the authority makes a loan pursuant to the provisions of
6 Title 90, chapter 7, the funds under its administration must be invested by the board pursuant to the provisions
7 of 17-6-201. As loans for capital projects made pursuant to this subsection are repaid, the principal and interest
8 payments on the loans must be deposited in the coal severance tax permanent fund until all principal and
9 interest have been repaid. The board and the authority shall calculate the amount of the interest charge.
10 Individual loan amounts may not exceed 10% of the amount administered under this subsection.

11 (5) The board shall allow the board of housing to administer \$50 million of the permanent coal tax
12 trust fund for the purposes of the Montana veterans' home loan mortgage program provided for in Title 90,

16 assist low-income and moderate-income persons with meeting their basic housing needs pursuant to 90-6-137.

17 (7) (a) Subject to subsections (7)(b) and (7)(c), the board may make working capital loans from the
18 permanent coal tax trust fund to an owner of a coal-fired generating unit.

27 located in Montana or allow for improvements to utilize coal resources located in Montana that are determined
28 to be economically feasible.
